## Welcome to Wesfield Academy

We look forward to getting to know you and your family. You, as parents, have a very important decision in making sure your children receive a quality education. Wesfield Academy is prepared to help you gain clarity and confidence in this decision to educate your children in a Christian environment that strives toward excellence in spiritual, academic and cultural development of children and teens. No student will be denied equal opportunity in education, nor do we discriminate on the basis of race, color, birth gender, national origin, or religion.

### Our Philosophy

While there must be an element of business in order to exist, Wesfield Academy is first and foremost a ministry. As a representative of Jesus Christ, called to the care of His children, Wesfield Academy strives to be excellent in all things. Our program and activities are based and filtered through the holy Word of God, and our faith and belief in Jesus. We believe the Bible to be the inspired Word of God and the source for absolute truth. The foundation to a successful life begins in a grounded, personal relationship with Jesus. The fruits of our Christian faith and Biblical foundation as a school are students equipped to be successful in life, be defenders of their faith, and able to go out into the world to help others be successful in life. Wesfield Academy is unashamedly a Christian learning environment that is also prepared to compete academically with the best educational institutions, while setting ourselves apart as salt and light in the world. Our educational commitment is to students who can set the pace in whatever environment they find themselves, being exceptional in knowledge, speech, attitude, and heart.

### Our Purpose

The purpose of Wesfield Academy is to provide parents a safe and loving place for their children and young people to be given the opportunity to receive outstanding academic preparation, and to develop exceptional character and a courageous heart to become fully-devoted followers and lovers of Jesus.

### Our Curriculum

Our customized curriculum is for grades 3<sup>rd</sup> – 12<sup>th</sup>. Our elementary, middle and high school academic program places a special emphasis on character development and effective written and verbal communication, to complement our rigorous program in all core subjects.

**3rd - 12th** - Created exclusively for Christian schools, IGNITIA is a versatile and multifunctional online learning platform, with streamlined efficiencies and interactive features that enrich the educational experience for students. IGNITIA integrates technology into the school environment. This comprehensive curriculum for students includes lessons in five core subject areas: **Bible, Language Arts, Math, Science, History and Geography** and a diverse list of electives. IGNITIA courses are not only rigorous and interactive, but provide instruction based on a Christian-faith worldview, encouraging students to consider challenging questions from a biblical perspective. Courses include text-based lessons, assignments, quizzes, and tests that engage students while they learn. The intuitive, easy-to-use interface supports digital literacy with interactive lessons available online anytime, anywhere. Optional external web links, interactive learning games, audio and video clips, and off-computer assignments help students develop the skills necessary for academic success in a media-rich environment.

(K5-2<sup>nd</sup> grade is expected to open in the fall of 2021!) In these formative years, it is our goal to cultivate academic excellence and a solid biblical foundation in all our children. Our Kindergarten children will be taught to be effective readers and competent in mathematics, placing our students ahead of the curve.

**K5 - 2<sup>nd</sup> - LIFEPAC** is a full-color Christian school workbook curriculum with Bible-based content. Each LIFEPAC workbook includes engaging lessons, activities, review questions, and tests. Scripture passages are integrated throughout the workbooks to help students connect daily learning to biblical truth. LIFEPACs include individual and group projects and activities to help stimulate creativity and reinforce concepts. Core subjects include: **Bible, History & Geography, Language Arts, Math, and Science.** **In addition, cursive writing will be taught to all students (K5-2<sup>nd</sup> grade).**

## **Attendance**

According to the laws of the State of South Carolina, students must be present 170 days of the 180-day school year. The only lawful reasons for absence are: students who are ill and their attendance would be bad for their health or the health of other students, a death or serious illness of an immediate family member, missing school because of a religious holiday, or a necessary doctor appointment. Doctor excuses should be provided on the first returning day to school. Students are expected to attend school each day and are counted present only when they are actually in school or are present at an activity authorized by the school administration. Chronic absenteeism must be reported to authorities to protect the child.

## **Summer School**

Summer school is not offered at Wesfield. Students are given ample time to complete their school year from August – May. Work that is not finished will roll over for the next year and the student will be held in that grade until all coursework is completed. All accounts will be disabled on the last day of school.

## **Inclement Weather Policy**

In the event we encounter inclement weather conditions, we will inform you, with as much prior notice as we can of our plans to close or dismiss early. This will be communicated first by text message to parents and will also be reported on the WISV scrolling banner.

## **Drop-Off/Pick-Up Policy**

When dropping off or picking up your children, please pull in carefully and slowly. Please pull into the first driveway on the right of Farnum Road, pull up in front of the glass doors, let your children out quickly, and exit onto Farnum Road, using the driveway closest to the woods. Please do not exit through the middle driveway, as this will be used for parents who are parking. If you need to come into the office, please park your vehicle in the middle lot, behind the concrete slabs. **PLEASE DO NOT PARK ALONG SIDE THE BUILDING AS THIS IS A SAFETY ZONE ONLY! In case of rain, please pull through the back drivethrough to drop off your child. This entrance will be open when an arrow is taped to the front of the glass doors, directing traffic flow to the back!** If students arrive after 8am or need to leave school before 2pm, they must sign in at the office before going to class. However, students leaving school early MUST be signed out by someone who has been listed on the student's registration application, who must show a valid state-issued ID that match our records. For security purposes, all doors leading to the outdoors will be locked during school hours. Should you arrive late or need to return, please use the doorbell just outside the side entrance. No student is permitted to open an exterior door for any reason. All students must be in the building by 8:00am, unless previously arranged or in the case of an emergency.

## **Breakfast/Lunch/Snacks**

We do not provide meals at this time, so we ask that parents provide a healthy snack and lunch for your child every day. Please pack a lunch, drink and appropriate utensils. Students will be allowed to place their lunch boxes in our refrigerator and will also be allowed the use of the school's microwave to heat up items. To ensure the safety of children with acute peanut allergies, we are a **peanut free zone**. If your child has a peanut allergy, or any other food allergy, please make sure it is noted on their application and as a safeguard, please remind us during the first week of school.

## **Immunizations Policy**

You are required to provide a current SC Certificate of Immunization before your child is accepted at Wesfield Academy.

## **Wellness Policy**

Should your child become ill during the day, we will provide isolated care until you can pick up your child. We ask that you inform the office if your child contracts a contagious disease such as strep throat, chicken pox, lice, or pink eye. Students who have a fever of 100 or more, or who have vomited, are not to return to school until they have had 24 hours without vomiting or taking fever reducing medication. Students who have had a fever should have 24 hours fever-free before returning to school.

## **Medications Policy**

Students are not permitted to administer their own medications. Nor are any teachers permitted to administer any medication. If medication is to be given to your child at any time, the medication is to be delivered to the office in the original container labeled with the child's name, instructions and a signed medication release form. All medication will be dispensed by the director or administrator and will be documented on a medical dispensation form and placed in your student's file.

## **Accident Report Policy**

In the event of an accident or injury, an accident report will be filled out, a copy sent home for the parents and the original maintained in their file in the school office. In the event of a major accident or injury, parents will be notified immediately.

## **Dress Code Policy**

Clothing and physical appearance, including personal hygiene, must always be neat and modest and not a source of distraction or disruption. The dress code applies to all students during the school day. Additional dress code guidelines may be issued for field trips or other school functions. As new styles and clothing patterns develop, administration will make modifications consistent with the intent of this policy.

### **Shirts**

Students can wear any solid color, collared polo shirt with short or long sleeves. Collars must be visible.

### **Pants, Shorts, Skirts**

No overalls, jeggings, stretch pants, Yoga pants, knit pants with drawstrings, sweatpants or other athletic pants or shorts are allowed to be worn. Uniform shorts can be worn throughout the year at the parents' discretion as long as they meet the length requirement.

Only plain-colored coats/sweaters/sweatshirts/hoodies may be worn to school. They may have emblems and/or brand markings, as long as those emblems/markings are not offensive.

### **Shoes**

Athletic and deck shoes are permitted and must be tied. No flip flops, open backed sandals, or "heelies" are permitted.

Note: Fridays are dress down days at Wesfield. Students may wear whatever they wish, as long as it is in keeping with our Christian character. Students who are not dressed appropriately will need to return home and change their clothes, or have another set of appropriate clothes brought to school.

Students in possession of, distributing, or manufacturing prohibited items will be immediately referred to the office. Consequences may include suspension, expulsion, even notification of law enforcement.

**In the case of reasonable cause or suspicion, our administration reserves the right to search a student and/or their belongings/property for said prohibited items and/or theft.**

## **Online Learning Policy**

Students should provide their own laptops/desktops for learning and a set of headphones. Headphones and an additional laptop power cord should be purchased and left at the school at all times. Students agree to use the online software for lawful purposes only and are prohibited from using other websites that are not precisely used inside the curriculum itself. Students and parents, alike, must understand that the use of the Ignitia software at our location is a privilege, not a right. Inappropriate use will result in cancellation of a user's privilege and possible dismissal from the school. Student activity is constantly monitored and recorded by the Ignitia program and will be reviewed with parents on a regular basis.

## **Behavior Conduct Policy**

One of our most important goals is to provide a safe and comfortable learning environment for every student. One way to achieve this goal is to establish conduct policies that will assure good student behavior. We realize that most children behave appropriately; however, there are a few, whose behavior, at times, interrupts the education of others. It is our hope that you will assist us in stressing to your child the need for good behavior at school. Please take time with your child to review this policy and to discuss the importance of proper conduct in school. We appreciate your support in enforcing its discipline policies. With your cooperation, we believe we can provide our students with a learning environment that will promote academic and personal success. ALL students who enter the school will be given a 90-day probationary period. If within that 90 days, the administration feels that the student is not a good fit for our environment, the student will be dismissed. We will then forward appropriate transcripts only after tuition is paid in full and the proper paperwork has been completed. If a student receives a documented infraction after that time, the 90-day probationary period will begin again. If behavior persists, the student will be dismissed, with appropriate transcripts being forwarded after tuition is paid in full and the proper paperwork has been completed. **The following will not be permitted, nor tolerated:** profanity or any other inappropriate language, arguing with or deliberate disobedience or disrespect toward teachers/administrators, bullying, intimidation, harassment, fighting, damage to school or another's belongings or property, theft, or any other behavior that violates Scriptural principles and/or jeopardizes the spiritual atmosphere of our school. For older students, this includes all social media posts and interactions.

## **Cell Phone Policy**

Students are allowed to bring their cell phones into the building but must place them in the cell phone holder area during school hours. They are not allowed to use them, for any reason, at any time during the school day. If a student has their cell phone on their person, or in their desk/backpack, the cell phone will be taken to the office and released only to the parent.

## **Discipline Policy**

Our goal is to help the children develop a positive sense of independence while displaying self-control. We do this by providing age appropriate limits, close supervision, guidance and redirection. Acceptable behavior will be encouraged and rewarded. When discipline is required for unacceptable behavior, the teacher will provide helpful guidance and redirection, and encourage the child while teaching them the skills he or she will need to get along with others (i.e. sharing, problem solving, taking turns, dealing with disappointment, and communication). If this does not work, a child may be taken away from the situation and asked to sit quietly until they are ready to resume proper behavior. If misbehavior continues, the child will be taken to the director's/administrator's office to contact the parent to pick-up their child for the rest of

that day. If the problem continues after the student returns to school, the student may be dismissed permanently from the Academy. Corporal punishment will never be used as a means of discipline. However, this does not prevent teachers and/or administration from removing a student from a disturbance which threatens physical injury to persons or property damage, prevent self-infliction of harm, defend oneself, or obtain possession of weapons, controlled substances, or paraphernalia.

**\*\*\*PLEASE NOTE: Every new student will be subject to a ninety-day probationary period following admittance to our facility or may be denied admittance all together.\*\*\***
